

[Fiat EPER V84 05.2014 Multilanguage](#)

The screenshot shows a web browser window with the URL `127.0.0.1:7080/havi?GUI_LANG=3&LANGUAGE=3&COUNTRY=12&WINDOW_ID=1&KEY=AM_HOME&EPER_CAT=AM&MAKE=F&SBMK=F`. The website header includes the PIER logo and navigation links: HOME, PRINT, L/R DRIVE, BASKET, SEARCH, and CLOSE. Below the header, there is a search section titled "Search by model" with instructions: "Select car brand and, optionally, model and version and then click on any available product line".

The search interface includes a "Brand" dropdown menu with options: ALL, UNIVERSAL PARTS, AC, ACURA, AIXAM, ALPINA, ALPINE, ARO, ASIA MOTORS, and ASTON MARTIN. The "Model" and "Version" fields both display "All". There are also fields for "Period", "Power (KW)", and "Engine". A "Search by OEM code" section includes a "Manufacturer:" dropdown set to "ALL" and an "OEM code or description:" input field with a "Search" button.

A large watermark "AUTOEPCSERVICE.COM" is overlaid on the page. Below the search area is a grid of 18 car parts categories, each with an icon and a label: alternators, starter motors; window winder and spare parts; filters; clutches and hydraulic brakes; lighting; ignition system; brake system; pumps; sensor; thermal system; timing belt kit; suspension / wheel; rear-view mirrors; and windscreen wipers.

The footer of the website features the "AUTOEPCSERVICE" logo and the text "Parts | Manual | Diagnostic | Software".
